

Manufacturing Tool 1.310.006 Release Notes

Ver. 1.3.10.006 01/30/06

RELEASE LEVEL/QUALITY

RELEASE QUALITY LEVEL:

RELEASE CANDIDATE RC1 -- Software has been tested with the software quality assurance test plan applicable to the features in this release.

SUMMARY OF CHANGES

This Manufacturing Tool enables support for SDK2.610 as of version 1.3.10.006.

SDK2.600 is **not** supported by this release.

Note: This version of the Manufacturing Tool supports SDK3.xxx, SDK2.610, SDK2.5xx and SDK2.4xx.

Note: Profiles generated using Manufacturing Tool version 1.2.00 are not compatible and will not work with versions 1.3.00 and later. Profiles must be recreated using version 1.3.00 or later of the Manufacturing Tool.
